Entrepreneurship Award

The final stage of our
Entrepreneurship
Journey

By participating in this award, you'll gain the boost your business idea needs, as you will receive international visibility and recognition that will help **take your project to the next level**. Additionally, you'll have the chance to compete with other finalists for a monetary prize to invest in the acceleration of your company.

Our **Career Services** department organizes this event annually, bringing together entrepreneurs, investors, business angels, students, and the entire entrepreneurial ecosystem of the School.

Who can participate?

The OBS Entrepreneurship Award is exclusively open to teams led by current students or alumni of the school who have a project that stands out for its innovative capacity and growth potential. Additionally, participants can enter in different editions, even after completing their studies, until they secure the top position.

Final Stage

From all the submitted projects, a specialized committee will select up to 4 finalists who will compete for the final prize in an event broadcasted worldwide. Once selected, these finalists will undergo a training period focused on personalized one-on-one sessions that will help them refine their pitch and gain clearer insights into the future of their businesses, thanks to the guidance of renowned experts in entrepreneurship.
